and Tangelos (Citrus) Grown	)	FV-13-905-1; AMS-FV-12-0069
in Florida	)	Certification of Transcript

This certifies that the foregoing 462-page transcript, in 1 volume, to the best of my knowledge and belief, is a true transcript of the testimony given during the 1-day hearing on proposed amendments to Marketing Agreement Order No. 905 (on April 24, 2013 in Winter Haven, Florida, at the Florida Department of Agriculture and Consumer Services), except for obvious or immaterial typing, spelling, or grammatical errors, and except for the following corrections:

all corrections proposed on June 28, 2013, by the U.S. Department of Agriculture, Agricultural Marketing Service (AMS), Fruit and Vegetable Program, Marketing Order and Agreement Division (MOAD), Rulemaking Branch Chief Michelle P. Sharrow.

In this age of electronic communication, it would be counterproductive for the Hearing Clerk to note the corrections on the "hard copy" of the transcript. Consequently, I order that the Hearing Clerk NOT follow the specifications to that effect in 7 C.F.R. § 900.10; I instead order that the "hard copy" of the transcript not be marked with the corrections. Rather, each reader of the transcript should take into account the corrections proposed on June 28, 2013 that are referenced in this Certification. Accordingly, Rulemaking Branch Chief Michelle P. Sharrow shall cause to be posted on the USDA AMS website, both the corrections proposed on June 28, 2013, and this Certification, to be placed where the transcript is already posted:

<http://www.ams.usda.gov/AMSV1.0/getfile?dDocName=STELPRDC5103931>

I further certify that 32 exhibits were admitted into evidence, Exhibits 1-32. The exhibits can be found on the USDA AMS website:

[http://www.ams.usda.gov/AMSV1.0/FVMarketingOrderIndexOranges\(Florida\)More](http://www.ams.usda.gov/AMSV1.0/FVMarketingOrderIndexOranges(Florida)More)

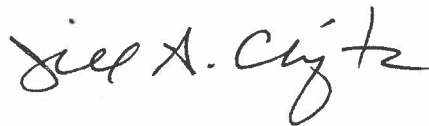

I have extracted from the record the "Exhibits" submitted on May 15, 2013 with the transcript by the Court Reporter, because they are not the record exhibits but rather were provided to the Court Reporter for reference in preparing the transcript.

One brief was filed, by the Citrus Administrative Committee, on June 27, 2013, over the signature of Arthur B. Chadwell, Manager. This, too, shall be posted on the USDA AMS website.

The Hearing Clerk is requested to serve this Certification of Transcript (by email or FAX or ordinary mail or internal Departmental distribution service, at the Hearing Clerk's option), **to include the party that filed a brief**; and also to include:

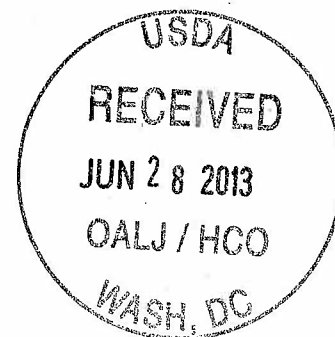

- (1) Brian T. Hill, Esq. in Washington, D.C., USDA, Office of General Counsel;
- (2) Melissa Schmaedick **in Moab, Utah**, USDA, Agricultural Marketing Service, Fruit and Vegetable Program, Marketing Order and Agreement Division (MOAD), Senior Marketing Specialist;
- (3) Michelle P. Sharrow in Washington, D.C, USDA, Agricultural Marketing Service, Fruit and Vegetable Program, Marketing Order and Agreement Division (MOAD), Rulemaking Branch Chief;
- (4) Christian Nissen **in Winter Haven, Florida**, USDA, Agricultural Marketing Service, Fruit and Vegetable Program, Marketing Order and Agreement Division (MOAD), Southeast Marketing Field Office, Regional Director; and
- (5) Jennie Varela **in Winter Haven, Florida**, USDA, Agricultural Marketing Service, Fruit and Vegetable Program, Marketing Order and Agreement Division (MOAD), Southeast Marketing Field Office.
