Canadian Food Inspection Agency Notification

Subject: Suspension of Jirah Milling and Sales Organic certification

On July 25, 2011, the organic certification of Jirah Milling and Sales Inc., Ormstown, Quebec under the Canada Organic Regime was suspended.

The operator's certification was suspended for failing to comply with the *Organic Products Regulations*, 2009. The operator is no longer authorized to market organic products or use the Canada Organic logo.

Please direct any questions regarding certification suspension to the Canada Organic Office:
