Company Name:	Date:				
Representative:	Phone:				
If imported product is brought into the facility during the production and shipment of product for this program, it is the company's responsibility to have and to implement a segregation plan to ensure that only product of domestic origin is delivered. Vendor must maintain a copy of this form on file.					
Does your company process or handle fresh fruit and vegetable products originating from sources other than the United States, its territories or possessions, Puerto Rico, or the Trust Territories of the Pacific Islands? YESNO If yes, attach a copy of your segregation plan explaining how such product is stored and processed separate from domestic product. It is the responsibility of the applicant to ensure supplier/subcontractor compliance that only domestic product is used in this program.					
Do any of you Subcontractors/suppliers process or handle products originating from sources other than the United States, its territories or possessions, Puerto Rico, or the Trust Territories of the Pacific Islands? YESNO					
I certify that all products sold to the U. S. Department of Agriculture are of 100 percent domestic origin and that all above statements are true. I further certify that traceability documentation will be made available to USDA representative upon request.					
WARNING: 18 U.S. C Part 1, chapter 47, Section 101 states that "Except as otherwise provided in this section, whoever, in any manner within the jurisdiction of the executive, legislative, or judicial branch of the Government of the United States, knowingly and willfully (1) falsifies, conceals, or covers up by any trick, scheme, or devise of material fact; (2) makes any materially false, fictitious or fraudulent statement or representation; or (3) makes or uses any false writing or document knowing the same to contain materially false, fictitious, or fraudulent statement or entry; shall be fined under this title or imprisoned not more than 5 years, or both.					
Knowingly and willingly making false statements may also constitute a violation of the Perishable Agricultural Commodities Act (7 U. S. C., 499a-499t), and may also result in monetary penalties or license suspension or revocation.
