NOTICE TO THE TRADE
Web Based Supply Chain Management (WBSCM) Login Issue

A number of vendors have reported issues accessing WBSCM. After some investigation, we learned that there was a change to the eAuthentication site that directly impacts WBSCM. The new URL for accessing WBSCM is: <https://portal.wbscm.usda.gov/>. Please change your web browser bookmark accordingly. In addition, the Commodity Procurement webpage has also been updated to include the new URL.

If you have any questions regarding this notice, please contact the WBSCM Helpdesk at WBSCMAMSHelpDesk@ams.usda.gov. Thank you.
