Milk in the Mideast Marketing Area; Notice of Hearing on Proposed Amendments to Tentative Marketing Agreement and Order

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Proposed rule; Notice of public hearing on proposed rulemaking.

SUMMARY: A public hearing is being held to consider proposals that would amend

certain pooling and related provisions of the Mideast order. Proposals include increasing the minimum route disposition requirements for distributing plants; amending the automatic pool plant qualification provision; decreasing the amount of producer milk that can be diverted to nonpool plants for varying months of the year; and increasing the minimum amount of milk that a producer needs to deliver to pool plants in order to qualify as a producer and to be eligible to be pooled on the order.

Additionally, other proposals which call for eliminating a provision that currently permits a pool plant to have both a pool and a nonpool portion; establishing a “net shipment” provision for milk received at pool plants for determining pooling eligibility; and establishing the criteria for requiring a waiting period for a supply plant to regain pool status if it fails to meet the pooling requirements, will also be considered. A proposal that would change the rate of partial payments to producers will also be heard.

DATES: The hearing will convene at 8:30 a.m. on Tuesday, October 23, 2001.

ADDRESSES: The hearing will be held at the Holiday Inn Express Hotel and Suites/Galaxy Banquet Center, 231 Park Centre Dr., Wadsworth, OH 44281, (330) 334–7666.

Persons requiring a sign language interpreter or other special accommodations should contact David Z. Walker at 440–826–3220; email David.Walker@usda.gov before the hearing begins.

SUPPLEMENTARY INFORMATION: This administrative action is governed by the provisions of sections 556 and 557 of Title 5 of the United States Code and, therefore, is excluded from the requirements of Executive Order 12866.

Notice is hereby given of a public hearing to be held at the Holiday Inn Express Hotel and Suites/Galaxy Banquet Center, 231 Park Centre Drive, Wadsworth, OH 44281, (330) 334–7666, beginning at 8:30 a.m., on Tuesday, October 23, 2001, with respect to proposed amendments to the tentative marketing agreement and to the order regulating the handling of milk in the Mideast marketing area.

The hearing is called pursuant to the provisions of the Agricultural Marketing Agreement Act of 1937, as amended (7

U.S.C. 601–674), and the applicable rules of practice and procedure governing the formulation of marketing agreements and marketing orders (7 CFR Part 900).

The purpose of the hearing is to receive evidence with respect to the economic and marketing conditions which relate to the proposed amendments, hereinafter set forth, and any appropriate modifications thereof, to the tentative marketing agreement and to the order.

Evidence also will be taken to determine whether emergency marketing conditions exist that would warrant omission of a recommended decision under the rules of practice and procedure (7 CFR 900.12(d)) with respect to any proposed amendments.

Actions under the Federal milk order program are subject to the Regulatory Flexibility Act (5 U.S.C. 601 et seq.). This Act seeks to ensure that, within the statutory authority of a program, the regulatory and informational requirements are tailored to the size and nature of small businesses. For the purpose of the Act, a dairy farm is a “small business” if it has an annual gross revenue of less than \$750,000, and a dairy products manufacturer is a “small business” if it has fewer than 500 employees. Most parties subject to a milk order are considered as a small business. Accordingly, interested parties are invited to present evidence on the probable regulatory and informational impact of the hearing proposals on small businesses. Also, parties may suggest modifications of these proposals for the purpose of tailoring their applicability to small businesses.

The amendments to the rules proposed herein have been reviewed under Executive Order 12988, Civil Justice Reform. They are not intended to have a retroactive effect. If adopted, the proposed amendments would not preempt any state or local laws, regulations, or policies, unless they present an irreconcilable conflict with this rule.

The Agricultural Marketing Agreement Act provides that administrative proceedings must be exhausted before parties may file suit in court. Under section 8c(15)(A) of the Act, any handler subject to an order may request modification or exemption from such order by filing with the Secretary a petition stating that the order, any provision of the order, or any obligation imposed in connection with the order is not in accordance with the law. A handler is afforded the opportunity for a hearing on the petition. After a hearing, the Secretary would rule on the petition. The Act provides that the

district court of the United States in any district in which the handler is an inhabitant, or has its principal place of business, has jurisdiction in equity to review the Secretary's ruling on the petition, provided a bill in equity is filed not later than 20 days after the date of the entry of the ruling.

Interested parties who wish to introduce exhibits should provide the Presiding Officer at the hearing with three (3) copies of such exhibits for the Official Record. Also, it would be helpful if additional copies are available for the use of other participants at the hearing.
