

The Agricultural Marketing Service will be hosting a follow-up conference call to discuss requirements of the Bonus Chicken Leg Quarter Purchase Program. The call is being held to field questions regarding the below commodity specification which is being utilized for this purchase along with the changes listed below. The call will be held Monday, July 6, 2015, at 2:00 PM, EST.

Call in Number: 888-844-9904

Access Code: 1801764

Link: [Chicken Parts Commodity Specification dated April 2013](#)

Changes to the Specification:

Leg Quarters (110094) - Frozen chicken leg quarters. Leg quarters must be produced from ready-to-cook broiler/fryer chickens, without neck and giblets. The commodity must be packaged in a minimum of four plastic-film bags, and packed 40 pounds (18.14kg) net weight in each fiberboard shipping container, with approximately 950 shipping containers per purchase unit totaling 38,000* pounds (17,236.51 kg).

*Purchase units of commodity must be 38,000 pounds net weight regardless of case count.

The above product definitions contain changes to the commodity specification that shall take precedence throughout the entire commodity specification.

Remove paragraphs from Section II. B. 5. & 6. and Section IV. A. 2. d, (1), (a).
