* The announced cooperative Class I prices and differences for these cities have been corrected and revised. The simple averages have also been revised.

1/ This table contains information obtained from the Class I price announcements sent by the major cooperative in each city market to all handlers who buy milk from them. These over-order prices include charges for various services performed by the cooperative. In some instances, these over-order prices may not include all credits that may be allowed. These prices have not been verified as having been actually paid by handlers.
