Report Suspension Notice

Agricultural Marketing Service

Dairy Programs

Market Information Branch

The United States Department of Agriculture's Agricultural Marketing Service (AMS) is suspending the monthly publication of the *Announced Cooperative Class I Price Report* and the *Over-Order Price Report*.

The *Announced Cooperative Class I Price Report* contained voluntarily provided data on the prices cooperatives charge plants for Class I milk. The report for March 2013 was the final release.

The *Over-Order Price Report* contained information on the premiums above Federal order minimum prices paid by handlers in select markets for milk in each Class and for producer milk overall. The report for January 2013 was the final release.
