1/ This table contains information that can be obtained readily as to over-order Class I prices announced for the beginning of the month by cooperative associations in various markets. Announced prices may be changed during the month. If the cooperative announces a weighted average price for the month, this is shown. Otherwise changes are noted in the following month's report. The information relates to the major cooperative in each of the city markets and does not apply to all of the Class I sales in these city markets.
