

Application for Market Access and Re-registration for Feeds and Feed Ingredients to China

The General Administration of Quality Supervision, Inspection and Quarantine (AQSIQ) of the People's Republic of China requires that U.S. feed and feed stuffs intended for export to China apply for **market access** if they: A) are new to market and have not been exported before, or **Re-registration** B) are not new to market, but are not currently registered with AQSIQ. This application may be used by manufacturers of feed products that meet those criteria to apply for market access for exporting to China.

Applying for: Market Access Re-registration FDA Facility Establishment Identifier (FEI) #: Federal TAX I.D. #: Contact email: Phone number: Fax number: Brand and Product Name: Product Description: In addition to filling out this section, please upload technical product specification (i.e. MSDS, product sales sheet, intended use, etc) as an attachment before final submission.
