

Extension for Requests to Make an Oral Presentation at the August 15-17, 2005 NOSB Meeting

The National Organic Program recognizes that the Federal Register notice announcing the August 15-17, 2005, National Organic Standards Board (NOSB) meeting did not afford the public a reasonable time period to pre-register for making an oral presentation at the NOSB meeting. As a result, we are extending the date for receiving requests to make an oral presentation until the close of business on August 12, 2005.

Requests to make an oral presentation at the meeting, or written comments may be sent to Ms. Katherine E. Benham at USDA-AMS-TMD-NOP, 1400 Independence Avenue, SW., Room 4008-So., Ag Stop 0268, Washington, DC 20250-0200. Requests to make an oral presentation at the meeting may also be sent via facsimile to Ms. Katherine E. Benham at (202) 205-7808 or electronically to Ms. Katherine E. Benham at katherine.benham@usda.gov.
