

Livestock Recommendations -- 1998-99

DATE: February 11, 1999

Board Vote

Motion: Livestock Committee. Motion by Fred Kirschenmann. Add to the Board recommendation on Confinement of Livestock in an Organic System "stage of production" and "stage of transition of the farm to organic" on the list of exceptions to the requirement that livestock have access to the outdoors. The management practices must make clear that these additional exemptions in no way change the intent that ruminant organic livestock systems be pasture based.
